

Interpreter (India-Korean Speaker)

Sanand, Ahmedabad, Gujarat

Roles and Responsibilities:

- **Interpretation Between Teams:**
Provide accurate and timely interpretation (verbal and written) between Korean and Indian teams in meetings, negotiations, and other interactions.
- **Document Translation:**
Translate documents, reports, emails, and other materials from Korean to English and vice versa, ensuring accuracy and context.
- **Cross-Cultural Communication:**
Act as a bridge for cultural understanding, facilitating communication and collaboration in alignment with corporate strategies and goals.
- **Support for Site Visits and Client Meetings:**
Accompany management during site visits, inspections, and client interactions, providing language assistance for smooth communication.
- **Technical and Operational Discussions:**
Assist in technical discussions, presentations, and training sessions by interpreting specialized terms to ensure clear understanding.
- **Adaptability to Business Needs:**
Handle multiple translation tasks as required, demonstrating flexibility and efficiency in a fast-paced environment.

Qualifications:

- Proficiency in both Korean and English/Hindi (written and spoken).
- Experience in interpretation or translation preferred but not mandatory.
- Strong interpersonal skills and cultural awareness between India and Korea.
- Ability to work on-site in Sanand and travel as needed.
